Testimonial Letter for Cassandra Kaye Perez Bonzon

On behalf of SG Cares Volunteer Centre (VC) @ Yishun, operated by CampusImpact since August 2020, we would like to acknowledge and thank you for choosing to support parents through volunteering with CampusImpact.

The SG Cares VC is a community-based organisation appointed by MCCY, to grow and coordinate volunteerism efforts at the town-level and facilitate partnerships to bridge the gap between community needs and resources.

As a volunteer between April 2024 to October 2024, Cassandra created educational content for parents 6 days a month for 2 hours each day. This supported the parents in having a deeper understanding on how to engage their children under CampusImpact's programme. With her support, she has value-added to the programmes by creating education and awareness to certain topics for the parents.

We appreciate Cassandra's contribution to meaningfully use her available time to positively impact our community, exemplifying the SG Cares movement to build a more caring and inclusive home for all, including supporting CampusImpact's vision of Strong Children, Strong Families, Strong Society.

Yours Sincerely,
